

## Security Consulting

Whether your operations are located in large metro areas, small towns or in remote, hostile regions of third world countries, the Swailles security team offers customized solutions to corporate security challenges. We enable you to focus on your business while helping to identify and manager your risk. For more than 20 years, our professionals have provided world class security management services to numerous business segments such as:

- Major Deep Sea Ports
- Production Facilities
- Financial Institutions
- Manufacturing Sites
- Office Buildings
- Energy Services
- Gas Operations
- Factories

Services are as varied as the organizations, a sampling includes:

- Crisis Management
- Benchmarking
- Travel Risk Management
- Vulnerability Assessments
- Personnel & Asset Protection
- Develop Policy, Procedure & Programs
- Global Intelligence & Due Diligence
- Audit & Compliance Reviews
- Security Needs Assessment
- Establish "Best Practice" Protocols

Our benchmark is to deliver unparalleled results to our clients, quickly and at a reasonable cost. The quality of our work is best demonstrated by the long-term relationships we have with our clients.
